

2021 IMPACT REPORT

Dear Brothers and Sisters in Christ,

The Catholic Foundation is entrusted to accept and grow legacy gifts that bring ministry to life in the Diocese of St. Petersburg to the best of our ability. It is our responsibility to share information which demonstrates we are living up to that expectation and duty, and we take that responsibility very seriously.

What follows is our annual impact report for 2021 featuring our 2021 financial statement, as well as details about long-term funds we shepherd for parishes, schools and ministries. In addition, it highlights investment performance, new funds established, and our Board of Trustees and governance structure. The gifts our investors have entrusted to us are being well-utilized to save lives for Christ both now, and into the future.

But we know our work is not done. We stand ready to assist generous benefactors in establishing their faith legacy so that together, we continue bringing ministry to life throughout our five-county diocese and beyond. We are ready to serve our diocesan entities in establishing long-term investment funds that can serve them well in the years to come.

Sincerely in Christ,

A handwritten signature in blue ink that reads "Meegan Wright".

About Us

Mission

The Catholic Foundation supports the work of Christ in the Diocese of St. Petersburg by securing gifts, providing donor services and managing financial resources to benefit people assisted by all parish and diocesan ministries. Our team strives to courageously live the Gospel by bringing ministry to life.

History

The Catholic Foundation has been serving the people of the Diocese of St. Petersburg since 1997. Our purpose is to work with dedicated parishioners, community leaders and businesses to ensure the future and prosperity of the Catholic Church within our parish, school and diocesan boundaries. Through the generosity of our donors, we are able to assist in places of most need.

Not-for-Profit Status

The Catholic Foundation is incorporated as the Emmaus Foundation, Inc., under article 501(c)(3) of the Internal Revenue Service code as a not-for-profit charitable entity.

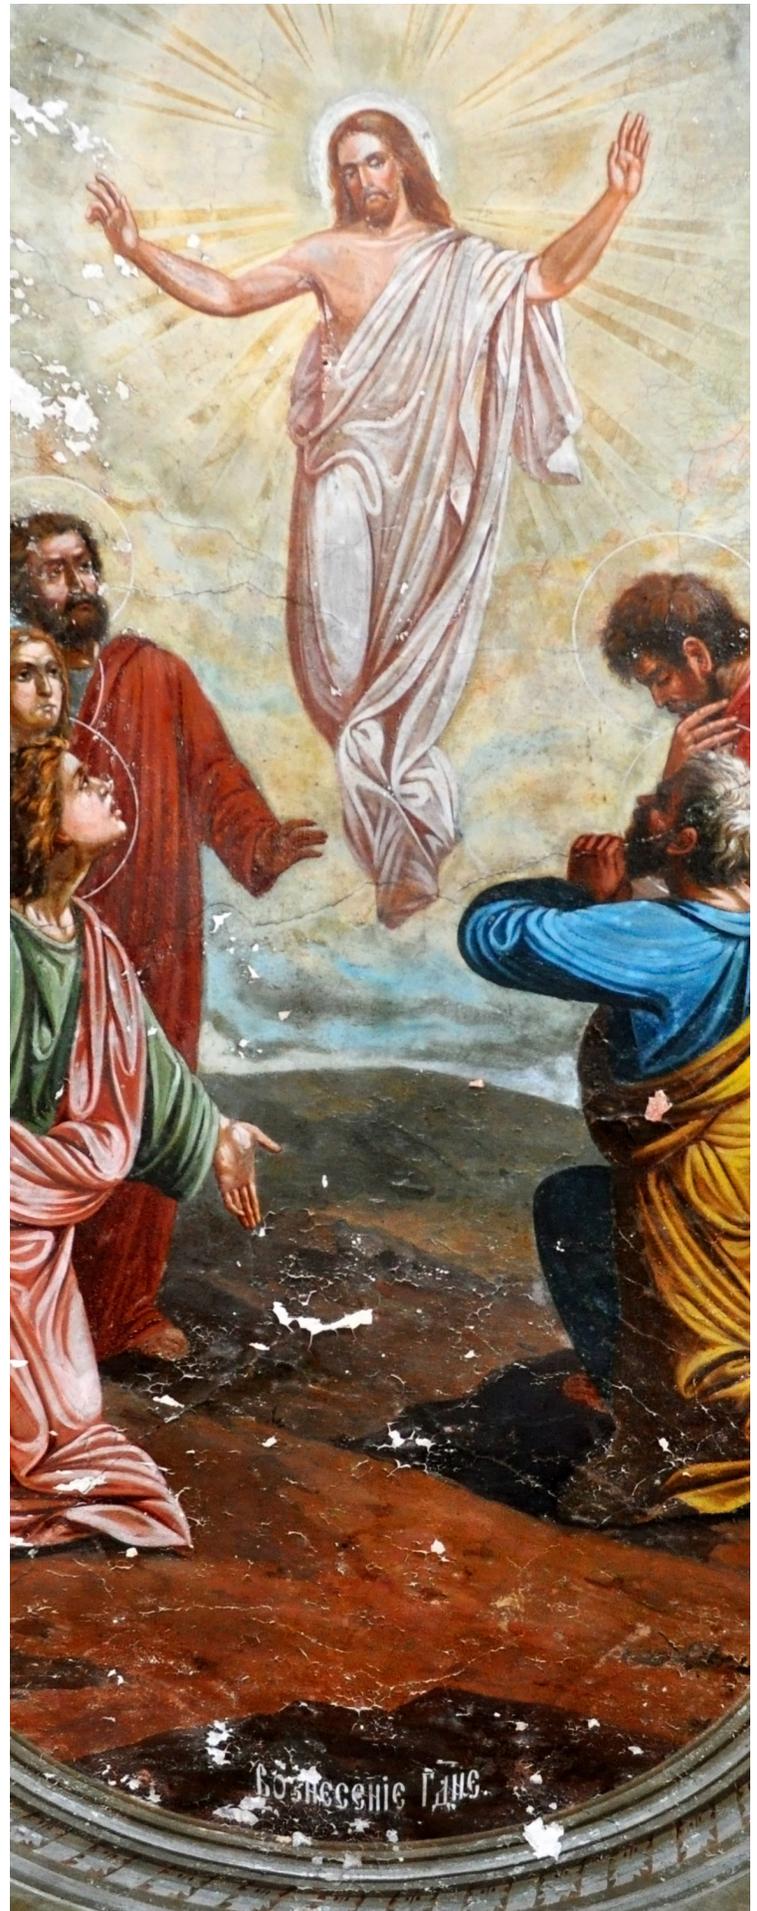

Here to Serve

Our Catholic Foundation staff has extensive experience in a variety of fundraising environments. From planning for today to planning for tomorrow, we are dedicated to partnering with dedicated donors to see their legacy dreams become a reality, and assisting the entities we serve through a variety of services and products that help pastors, principals, ministry leaders and parishioners courageously live the Gospel. Committed to Transparency

As stewards of the legacy gifts entrusted to our care, the Catholic Foundation is committed to transparency and accountability. This means providing accurate and timely reports and information to both donors and beneficiaries, as well as prompt response to inquiries as they are received. This commitment also requires the preparation of annual reporting for all members of the Diocese of St. Petersburg through the 2021 Impact Report, published in print and also made available online at catholicfoundation.org/2021-impact-report.

Fiscal Year Reporting

The Catholic Foundation of the Diocese of St. Petersburg operates on a fiscal year calendar of July through June. Therefore, all impact numbers and information provided in the 2021 Impact Report represent results and balances as of June 30, 2021. For current information on fund performance, contact foundation@dosp.org.

Audit

In addition to reporting impact information to donors, the Foundation is subject to a financial statement audit each year. The audited financial statements for the year ended June 30, 2021 along with the accompanying footnotes are available for review at catholicfoundation.org/2021-impact-report.

Responsible Investing

The Catholic Foundation's portfolios consistently screen remarkably well against the United States Conference of Catholic Bishops (USCCB) guidelines in effect. We currently screen at > 99% compliant, with approximately 0.84% of the total portfolio invested in potentially "conflicted" holdings according to USCCB guidelines.

Donor Intent

The Catholic Foundation monitors every fund entrusted to us carefully, ensuring donor intent is maintained for each long-term legacy gift. At the end of each fiscal year, beneficiaries provide information on grants accepted and how the gift was used. This information is shared with those who established the fund throughout their lifetime.

Investing in Service

Unlike traditional current operational fundraising efforts made by most non-profits, our Board has made a conscious decision to assist those we serve and further the work of the Church with long-term funding needs. Within our fundraising costs is also local level legacy and planned giving education to encourage devoted supporters of parishes, schools and ministries to create endowments and other funds to sustain and grow ministry over the long-term. We do not charge for fundraising or other consultations, and therefore, our fundraising costs reflect that investment in the services we provide.

2021 Board of Trustees

The Catholic Foundation is governed by an independent **Board of Trustees** consisting of clergy and laity from around the Diocese. The board actively governs the operations and investments of the Foundation. To learn more about the 2021 Catholic Foundation Board of Trustees, please visit catholicfoundation.org/leadership/board-of-trustees

Recognizing Those Who Bring Ministry to Life

The Catholic Foundation fulfills its mission in partnership with special donors - those who have entrusted their legacy gifts to our care. Our donors include individuals as well as committed organizations striving to sustain and grow our faith communities, schools and ministries. Those who benefit from established legacy funds as well as our Catholic Foundation staff and Board of Trustees know that the parishes, schools and ministries we support are able to do more thanks to those **dedicated individuals and organizations** who establish and share information about perpetual gifts.

Part of Our Pastoral Care

On November 2020, Prince of Peace Catholic Church in Sun City Center invited the Catholic Foundation to present legacy planning options for parishioners. During the seminar, information about legacy planning, legal matters and financial planning issues were all presented by local professionals from the wills and estates and financial planning sectors. Additionally, information on Catholic burial and the parish's bereavement ministry were shared.

"Seminars such as this are a need for our people and part of our pastoral care for our parishioners," said Fr. Joel Kovanis, Pastor of Prince of Peace. "**This type of information is essential** to help give them a sense of peace and relieve the great anxiety many feel as they are far away from their families."

This type of information is

essential...

Generosity Paired With Shepherding

While the Dustin and Amanda Henderson Scholarship Fund was established with the Catholic Foundation in May of 2020, the scholarship fund continues to grow thanks to the Henderson's generosity and careful shepherding through the Catholic Foundation. As members of the Class of 2003, they felt Clearwater Central Catholic High School gave them a strong foundation to build both college and professional careers, and it was time to contribute to the school's growing legacy of excellent education based in solid Catholic values.

"This fund is one way we can give back to CCCHS and support upcoming students searching for their own unique and wonderful experience," said Amanda. "**It is an amazing feeling to know we can make this kind of a difference**, and we hope others will take this step too."

It is an *amazing feeling*
to know we can make this kind of difference...

Generosity Growing in Our Diocese

Acknowledging the generosity of the most consistent donors of our diocese is a priority for Bishop Parkes, and he does this, in part, through the **Mater Dei Giving Society**. This past year, membership in the Giving Society grew from 5,540 to more than 6,464 members.

Planning for in person events and face-to-face interactions to gather and say “thank you” has been a challenge in the past couple of years. With careful preparation, Bishop Parkes was able to invite all members of the *Mater Dei Giving Society* to attend their first live event on October 24, 2021. More than 170 members joined Bishop Parkes at the Cathedral of St. Jude for an afternoon prayer service and reception, and another 206 joined virtually via livestream.

“It is my hope and prayer that through the Mater Dei Giving Society we continue serving the poor, accompanying our youth and young adults and sharing our faith,” Bishop Parkes shared. **“I know that together, we can make this hope and prayer a reality.”**

I know that *together* we can make
this hope and prayer a *reality*.

Taking Positive Steps

As a bustling, active parish in Citrus County, the parishioners of St. Thomas the Apostle in Homosassa dreamed of building a social hall to house events and bring people together. To take a positive step toward achieving this goal, the parish established a Foundation Bequest Fund thanks to a legacy gift. “We received \$35,000 as an initial distribution from a Living Trust,” said Father Glenn Diaz, pastor of St. Thomas the Apostle. “We knew **the Catholic Foundation was the right place to invest** money given to our parish and get help in managing our resources.”

Then, Father Diaz decided to take an additional step. “We reached out to the Catholic Foundation and invited them to visit to discuss creative ways in which we can be forward thinking in engaging our parishioners to help us build the future of our parish,” he explained. “The presentation sparked lively, thoughtful conversations.”

...the Catholic Foundation was the
right place to invest...

Our Giving Society Members

The **Mater Dei Giving Society**, named in honor of our Blessed Mother, features four circles recognizing special donations to diocesan ministries, the Annual Pastoral Appeal, Spirit FM 90.5, Catholic Charities and/or the Catholic Foundation. Three of the four circles of our **Mater Dei Giving Society** include Catholic Foundation donors.

We offer heartfelt thanks to the members of our Giving Society who have taken steps to preserve the work we do in Christ's name, and look forward to welcoming additional members in future years.

+ the **Mater Spei (Mother of Hope) Circle** - recognizing 73 life-time members who have established legacy gifts from an estate or through a beneficiary designation, have created an endowment or perpetual fund, or purchased a Charitable Gift Annuity through the Catholic Foundation.

Maintaining & Growing Funds

Each year, the Catholic Foundation seeks to promote and build restricted and/or endowed funds to benefit the ministries of the Diocese, its parishes, schools and other institutions through individual donor meetings, small events, one-on-one visitation and consultation services.

Charitable Gift Annuities

A Charitable Gift Annuity (CGA) is a type of planned gift that allows a donor to receive fixed payments from an amount of invested principal throughout their lifetime and leave the remainder to a Catholic parish or ministry, or a not-for-profit outreach entity of their choice upon their passing. **The Catholic Foundation is licensed to accept and administer CGAs, and currently holds 29 CGAs with 23 named beneficiaries, listed below:**

- The Bethany Center, Lutz
- Catholic Charities, Diocese of St. Petersburg
- Catholic Charities, Diocese of St. Petersburg - Mobile Medical Service
- Espiritu Santo Catholic Church, Safety Harbor
- Notre Dame Catholic School, Spring Hill

Donor-Advised Funds

Donor-advised funds (DAFs) offer multi-generational giving solutions for donors and their families at all stages of life and creative solutions to help parishioners and their benefactors support the causes closest to their hearts. Since fall of 2020, the Catholic Foundation has offered our Donor-Advised Fund, allowing donors to make contributions supporting a variety of not-for-profit organizations that share our Catholic values and beliefs. These funds are available for distribution over multiple years while offering an immediate tax deduction for the donor. **This year, the total number of funds entrusted to the foundation grew to four.**

4 DAF funds made 27 grants totaling \$301,394 in 2020-2021

Life & Bequest Funds

Foundation Life and Bequest Funds are quasi-endowments invested in a professionally managed, diversified portfolio. The beneficiary of these types of funds can opt to receive bi-annual distributions or roll the earnings back in for more investment power. Through a direct gift or an estate bequest, these donations are made to support a beneficiary parish, school or ministry for one of five designated purposes. The idea with both types of funds is to allow at least 5 years for solid growth, but if an emergency occurs, the beneficiary's leadership can access the initial donation. **In 2021, two new Life Funds and three new Bequest Funds were established.**

Life & Bequest Funds totaling \$3.6M

From the proceeds, the Foundation Board of Trustees has approved a \$200,000 grant to support the diocesan Catholic School Tuition Assistance Program which assists individual families in meeting their tuition needs. Grant proposals are currently being reviewed for new affordable housing projects, as well as future evangelization efforts and youth and young adult programs.

The Catholic Foundation is thankful to our 2021 Platinum, Gold and Silver Giving Challenge Partners listed below, who helped us meet the challenge. For a full list of our Challenge Partners, please visit catholicfoundation.org/2021givingchallenge/challenge-partners.

Taking into account the current status of the pandemic and concern for the safety of potential guests, the decision has been made to again postpone a large, live Gala event in 2022. Endowments & Long-Term Funds

Endowed and long-term funds established through the Catholic Foundation are true legacies, meeting the intent of the original donor to fund their parish, school or ministry today and into the future. Our endowed funds ensure that the corpus (or original donation amount) is preserved and grows with inflation, while a portion of the income earned on the investment is distributable for use each year for the beneficiary. Our long-term funds are also excellent vehicles for donors wishing to provide long-term support in the areas of building maintenance and future repairs, ongoing funding for major programs or outreach efforts, tuition assistance, scholarships and much more, but allow for the original gift to be utilized should need arise.

In 2021, the Foundation managed 97 endowed and long-term funds totaling more than \$50 million. Below is a complete list of the parishes, schools and organizations named as beneficiaries:

Performance

Since 2017, the total invested and managed in endowments and long-term managed funds has grown from \$33.2 million to \$56.3 million, an increase of almost \$23 million in the past five

years. The increase can be attributed to an increase in the number of funds held as well as strong investment performance overall, especially in the last year.

The purpose of endowed and long-term investments is to give beneficiaries a source of income they can depend on in both good and bad times. Between 2019-2020 and 2020-2021, distributions to our beneficiaries year over year remained steady (approximately \$1.8M). In 2021-2022, however, distributions to beneficiaries are projected to increase to \$2.4 million, almost \$600,000 more than this year.
